Consent to Treatment of Naturopathic Medicine

This form must be signed prior to your first appointment

Naturopathic medicine is the treatment and prevention of disease by natural means. Naturopathic doctors assess the whole person, taking into consideration physical, mental, emotional and spiritual aspects of the individual. Gentle, non-invasive techniques are generally used in order to stimulate the body's inherent healing capacity. Dr. Teresa Ambra, ND will take a thorough case history, perform a focused physical examination and complete laboratory testing, if necessary.

It is very important that you inform Dr. Teresa Ambra, ND immediately of any disease process that you are suffering from and any medications/over-the-counter medications that you are taking. Please advise Dr. Teresa Ambra, ND immediately if: you are pregnant, suspect you are pregnant, are trying to get pregnant, or if you are breast-feeding.

There are some slight health risks associated with treatment by naturopathic medicine. These include, but are not limited to:

- Aggravation of pre-existing symptoms
- Allergic reaction to supplements or herbs
- Pain, bruising or injury from venipuncture, acupuncture or parenteral therapy
- Fainting or puncturing of an organ with acupuncture needles
- Muscles strains and sprains, disc injuries from spinal manipulation
- There is a very small potential for stroke in neck manipulation. Patients are thoroughly screened prior to manipulating the neck.

I understand:

- An electronic medical record will be kept of the health services provided to me. This record will be kept in strictest confidentiality and will not be released to others unless law requires it or I give my written consent. I realize in rare instances courts may subpoena my medical records, which means that my records will have to be released.
- Dr. Teresa Ambra, ND will have to report me in the following instances: when I am in imminent danger of harming myself or others, when there is reasonable suspicion that I am neglecting and/or emotionally, physically or sexually abusing a minor, and if I engage in sexual relations with any of my healthcare providers.
- I may access my medical records at any time and can request a copy by paying the appropriate fee.
- Dr. Teresa Ambra, ND does not guarantee treatment results. I do not expect the naturopathic doctor to be able to anticipate and explain all risks and potential complications. I voluntarily consent to diagnostic and therapeutic procedures mentioned above, except for (please list, if any):

I recognize that this consent form covers the entire course of treatment for my present condition. I understand that I am free to withdraw my consent and to discontinue participation in these procedures at any time.

I have read this statement and agree to work within its guidelines, including the limits of confidentiality.

Patient Name (please print): _____

Signature of Patient or Patient's Guardian: _____ Date: _____

Patient Consent for Collection, Use and Disclosure of Personal Information

Privacy and protecting your personal information is an important part and consideration of my practice as a naturopathic doctor. This privacy policy outlines what I do to ensure that:

- Only necessary information is collected about you;
- I only share your information with your consent;
- Storage, retention and destruction of your personal information complies with existing legislation and privacy protection protocols (this includes cloud-based electronic medical records that are housed within Canada and are compliant with such legislation and privacy protocols);
- Privacy protocols comply with privacy legislation and standards of naturopathic doctor's regulatory body

We are committed to collecting, using and disclosing your information responsibly and do so for the following purposes:

- To assess your health concerns, provide health care and advise you of treatment options;
- To establish and maintain contact with you;
- To remind you of upcoming appointments;
- To efficiently follow-up with you for treatment;
- To complete claims for insurance purposes;
- To invoice for goods and services;
- To process credit card payments;
- To collect unpaid accounts and follow-up on billing, as required;
- To comply with all regulatory and legal requirements including court orders, statutory requirements to advise authorities of child abuse, reportable disease and individuals who may be an imminent threat to harm themselves or others;
- To be used for educational and research purposes (this includes case summaries and reports, photographs, lab results and other pertinent medical information). Your identity will be protected at all times and if necessary, identifying information will be altered to protect your privacy in all the above instances.

Patient Consent

I, _____ have reviewed the above information that explains how Dr. Teresa Ambra, Naturopathic Doctor, will use my personal information and the steps that are taken to protect my information.

I agree that Dr. Teresa Ambra, Naturopathic Doctor, can collect, use and disclose personal information about my case as set out above regarding privacy policies.

Patient/Child Name: _____

Guardian Signature: _____
